FUNDING FOR LOW INCOME OVERSIGHT BOARD**

Draft Resolution to Adoption of Low Income Oversight Board Charter

A draft resolution (L-301) (Agenda #908) by the Legal Division to consider interim funding for the Low-Income Oversight Board Charter is scheduled for consideration at the Commission meeting agenda for its August 22, 2002 meeting. The Commission may vote on this resolution at that time, or it may postpone a vote. The Commission may adopt all or part of L-301, amend or modify it, or set it aside and prepare a different resolution.

On July 23, 2002, the draft resolution was circulated to the service list for Rulemaking 01-08-027 pursuant to Public Utilities Code Section 311(g) and Rules 77.7 and 81 of the Commission's Rules of Practice and Procedure. Interested parties may review the draft resolution and service list at the "Currently Open for Comment" section of the Commission's Internet site at cpuc.ca.gov.

**RESOLUTION M-4808: RESOLUTION MAKING
FINDING OF EXTRAORDINARY CIRCUMSTANCES
PURSUANT TO PUBLIC UTILITIES CODE SECTION 632**

A draft management resolution (M-4808) (Agenda #937) is scheduled for consideration at the Commission meeting agenda for its August 8, 2002 meeting. The resolution would find extraordinary circumstances pursuant to Public Utilities Code Section 632 for expedited contracting with UBS Warburg, LLC for consultant or advisory services relating to Pacific Gas and Electric Company (Debtor), United States Bankruptcy Court, Northern District of California, San Francisco Division, Case No. 01 30923 DM. The Commission may vote on this resolution at that time, or it may postpone a vote. The Commission may adopt all or part of M-4808, amend or modify it, or set it aside and prepare a different resolution.

As a general rule, Public Utilities Code § 311(g)(1) requires that certain Commission decisions including some resolutions be served on "parties" and subject to public review and comment at least 30 days before the Commission acts. Because this resolution involves the approval of a contract, rather than a decision in the course of a proceeding involving parties, there are no parties upon which to serve this resolution, and the application of Public Utilities Code § 311(g)(1) in this context is uncertain. In addition, this resolution finds extraordinary circumstances exist requiring prompt action. The July 22, 2002 denial by the Bankruptcy Court of the Commission's motion for an order approving a mechanism for funding the provision of consultant and advisory services by UBS Warburg, LLC created an unforeseen emergency within the scope of Public Utilities Code § 311, as clarified in Rule 81 and Rule 77.7(f) of the Commission's Rules of Practice and Procedure. The Commission may also waive the 30 day review and comment period pursuant to Public Utilities Code § 311(g)(2) in these circumstances.
